

The 10th Muse: “Athena Gets Laid”

About this screenplay

Objective

[[Spec.](#)

In the modern day Greek Pantheon, Athena ([Tiffany Alvord](#)), is still the goddess of wisdom, chivalrous warfare, and a notoriously chaste one.

She accepts a bet with Dionysus that she will remain in control after getting drunk. She loses more than just the bet...

Having kissed a man (later revealed to be the fictionalised Wil Wheaton), she finds out that her only parent, Zeus, first thinks she was joking after confessing that to him.]

Wrapper

“I did it!...”

[The ten muses.

Featuring [Jennifer Saunders](#) (like in [Absolutely Fabulous](#)) or [Fran Drescher](#) (like in [The Nanny](#)) as Aphrodite.

Aphrodite had conspired with Dionysus to make Athena and @wilw drunk so they'll kiss. She tells Dionysus using her mobile that the plan worked and that she owes him a dinner.]

Athena tells her father (= Zeus)

[Athena and Zeus are sitting in Athena's apartment.]

Athena: ok, Dad, I want you to hear it from me first, but first of all, have a cookie.

Zeus: [munches] wow! It tastes better than usual!

Athena: Well, I bought it at a small bakery shop this time... not the usual mass produced ones. I even overpaid them 100 dollars.

Athena: OK, it may have meant a lot to you given I am your single-parent-daughter, but to cut to the chase... I lost it. I lost my chastity yesterday.

[Zeus laughs and nearly chokes on a cookie.]

Athena: I'm serious.

Zeus: really?

Athena: yes!

Zeus: oh, I see... mazal tov, I guess.

Zeus: ...so: how was it?

Athena: oh, dad, as the Greek goddess in charge of wisdom, I can tell you that it is not wise to describe your sexual exploits to your father.

Zeus: oh!

Athena: but I still want to publicly announce it.

Zeus: that's wise!

Announcing Publicly

[The assembly of the Greek gods - they are eating and/or chatting.

Zeus and Athena enter the frame.]

Zeus: [on the loud-speaker] Attention everybody!

Zeus: I am happy to announce that my daughter Athena here, got drunk yesterday, and... lost her chastity!

[The crowd claps, whistles, and howls.]

Zeus: Yes, it took her over 7,031 years, but [some people learn slower than others](#).

Zeus: So now we're down to Artemis [= [Jennifer Lopez](#)] ...

Artemis: don't be so naive, daddy.

[Artemis rapekisses Zeus.]

Artemis: not bad!

[Artemis approaches Athena, who silently signals "please don't kiss me".]

Artemis: [to Athena] [Hakuna Matata](#), sis! [She turns away.]

Return to the scene of the crime

[Later on, Athena, Dionysus, Artemis, and Arielle (= the 10th Muse), decide to return to the place where Athena kissed Wheaton...

Athena ([Tiffany Alvord](#)), Dionysus ([Jack Black](#)), Artemis ([Jennifer Lopez](#)), and Arielle (= the 10th muse, [Regina King](#), e.g.: in [Jerry Maguire](#)), enter a large hall of a pub / restaurant hosting a board games' event.

Athena is wearing a T-shirt with the caption "It isn't wise to be too wise. @Athena"
]

Athena: so that's it...

[[Wil Wheaton](#), wearing a T-shirt captioned "Try to be less of a dick than me. #dontbeadick @wilw", approaches.]

@wilw: Hey, Athena! I'm sorry about the other day... you and your friends look great today... I'll be over there if you need anything.

[He walks to a nearby table.]

Artemis: oh my god! Wil Wheaton??! Women would kill to kiss him.

Arielle: Athena, that is one helluva way [to lose it!](#)

Arielle: Now, go talk to him.

[Athena approaches @wilw.]

Athena: So Mr. Wheaton... out of pure curiosity... are you single?

@wilw: Well, in real life, I'm happily married. But, in this fic, I'm single.

Athena: [You've got 99 problems](#) ...

@wilw: ... and a bitchin', sexy, significant other like you ain't one! Yes!!

[Athena laughs.]

Athena: You just hit on me, didn't you?

@wilw: No shit, Sherlock!

@wilw: Unless you're seeing someone, in which case, please consider that as (overboard, I admit) flirting.

@wilw: Here's the thing though: I want a Romantic relationship: dates... courtship... "commitment", and all that Jazz.

Athena: I'm single!

@wilw: Oh nice! So...

Athena: I don't know, Wil...

@wilw: No worries, Athena! I can fix you up on dates with my friends if I'm not your cup of tea. I've gained some weight from all the food I ate at the weddings of the couples I've matched, heh.

Athena: Fuck that!

@wilw: Pardon?

Athena: Fuck that! I want you, and will try to [go the distance](#). I read or watched some of your online works, and can see you're really smart.

Athena: So having already thrown away 7031 years of chastity, and against my better judgement, I'm going to try this "commitment" thing.

@wilw: Sounds great! I should note that it is not the first time I did something stupid when I was drunk. I think I'll [quit cold turkey](#).

Athena: Good! I'll limit myself to [at most one glass of wine per day](#).

[Athena extends her hand backwards; Dionysus reluctantly gives her the new 1,000 USD bet money.]

Athena: That put aside, can we kiss again now? As a sober couple?

@wilw: I guess. OK, close your eyes.

[Athena closes her eyes. @wilw kisses her with passion, and she reciprocates.

Arielle says "oh". Artemis sighs and gives Dionysus 4 × 1,000 USD notes, and then they high-five.

Athena and @wilw stop kissing and catch their breath.]

Athena: so, Wil, any plans for tonight?

@wilw: Well, coast is clear with respect to being a games' instructor, so I'm thinking I'll buy us dinner and then we [geek out](#) and try to reach common ground.

@wilw: For instance, I refuse to date a woman who thinks Johnny Depp was sexier than Orlando Bloom in [the Pirates of the Caribbean films](#).

Athena: [laughs] I see you are [only mostly straight](#)! [@wilw laughs.]

[Artemis, Dionysus, and Arielle approach Athena and wilw.]

Dionysus: So... having made the world safe-for-humanity and matched you two, I am gonna spend an evening of non-alcoholic drinks&food, games, and... [puts his arms around Artemis and Arielle] women! [Reference: "[Wine, women, and song](#)".]

@wilw: awesome, have fun... but can you first take a photo of Athena and me so I can tweet it?

[Tweet by @wilw : «Me and my 100th problem, @Athena. Not only does this bitchin' goddess look great 4 some1 in her 7030s, but [she's smart, decisive, funny,& geeky](#)»]
